

Central PTO

November 19, 2007

Minutes

School Kits – President Amy Schwein visited West PTO and presented the School Kit project. She has agreed to coordinate the ordering of kits for West this coming year. Central PTO will receive a \$50 referral bonus. We will be seeking volunteers to help hand out kits at enrollment next August.

Fundraiser Idea – School pictures turned into pop out ornaments. PTO would receive \$2 from each sale. This idea was tabled until next year.

Christmas gifts for the classrooms – It was decided to purchase Leapster games for each class. Amy Schwein will shop for gifts for the other classes (art, music, etc.)

Love & Logic – Robin Butler stated that Love & Logic books will need to be purchased soon. We will discuss again in January.

Family Fun Science Night – This went over very well last year. Discussion took place as to whether we should organize one this year. Lori Rice volunteered to chair this event and tentative dates in March will be discussed.
