

Over the last two weeks, Wamego Middle School Student Council worked on their second pep assembly for the Girl's basketball team and Boy's wrestling team. The assembly kicked off with a skit involving Lucky Charms, a leprechaun, and teaming up to stop the leprechaun. Two faculty members graciously stepped for the obstacle course. Mr. Petermann and Mr. Hornbaker competed against each other in a break dancing, shoe golf, and pie eating contest. Mr. Hornbaker edged out Mr. Peterman with both teachers receiving a door prize. The best was saved for last as "So You Think You Can Dance" competition came to WMS! 2 groups and one individual were part of the show. The girls basketball team, wrestling team, and Coach Klein put their best foot forward in an attempt to become the winner. All of the teams did well with the wrestlers stealing the show with a choreographed version of "My Little Buttercup".
